# The Nebraska Trailblazers

The Nebraska Wander Freunde Trailblazers (NWFT) was formed in March 1979 as one of the first clubs in the American Volkssport Association (AVA). Walking is a great way to boost personal fitness, circulation, mental acuity and to get outdoors. Our walks are noncompetitive and are designed to be fun. "Traditional" walks are held monthly from March through June and September through December with other club activities scheduled during the summer months. The Trailblazers currently host 9 different year-round events (YRE) along the Interstate-80 corridor and in the greater Omaha metropolitan area, including western Iowa.

## Club Meetings

The Trailblazers meet at Maple Ridge Retirement Community, 3525 N 167th Cir, Omaha NE. Meetings are held the first Monday of the month except January, April (Location TBA), July and August. If the first Monday is a holiday, we then meet on the 2<sup>nd</sup> Monday of the month. The meetings are open to the public. We have a business meeting followed by a short program. Then it's time for coffee, treats and fellowship!

## Club Officers

President: Lori Sue Anderson      Vice-president: Joyce Sobczyk  
Secretary: Dave Brown              Treasurer: Jill Champley

## Club Membership

Annual membership in the Nebraska Trailblazers is only \$10 for an individual and a bargain \$15 for a family membership.

## General Event Information

Volkssporting started in Germany and simply defined, is a personal fitness sports and recreation program offering noncompetitive walks, hikes, bike rides, swims, and in some regions cross-country skiing. You may choose your time to start within the start/finish “window” and participate in the sport at your own pace. Walking—also called “volksmarching”—is the most popular of all the volkssporting activities.

All events are sanctioned by the American Volkssport Association (AVA). By registering for these events, participants accept the guidelines for AVA-sanctioned events and agree to observe the principles of good sportsmanship. Littering is not permitted. Dogs are allowed at most events but must be kept on a leash and cleaned up after. Events will take place regardless of weather conditions and there are no refunds. Water will be provided at the Start/Finish and at checkpoints.

Trail difficulty is rated 1-5 for elevation and A-E for terrain. A complete trail rating system can be found at:  
[www.netrailblazers.club/how-to/interpret-trail-ratings](http://www.netrailblazers.club/how-to/interpret-trail-ratings)

Sponsors are not liable for lost or stolen items, accidents or injuries and/or material damage at any time incurred by participants during the course of an event. Every reasonable effort will be made to make events safe, enjoyable and memorable.

All events listed in this booklet count toward IVV achievement awards. Each participant desiring credit must present an IVV record book and completed start card for credit. Official IVV record books are available at events for \$6 each. New Walker Packets are \$6.

On-site registration will be available for each event. Each participant shall obtain a start card, which remains the property of the sponsor and must be returned to the Start/Finish point.

**Don't forget  
your water!!!**

Water will be available at the Start/Finish point but you should carry your water bottle along the trail!

# Traditional Events

These are one-day, staffed walks. Walk with a group or on your own.

Group walks will start 30 minutes after the stated start time.
